### ABOUT ME

My hands-on experience with networking systems and practical software engineering degree give me a solid foundation in our technological world. My experience has proved I can deal with high-pressure, challenging environments, and my optimistic approach allows me to excel as a team player.

### EXPERIENCE

- |                                                                                                                                                                                                                                 |                  |
